

Twitter for BlackBerry Tips & Tricks Volume 1

How to download Twitter® for BlackBerry® smartphones

In the BlackBerry App World™ application on your device, search for Twitter and open **Twitter for BlackBerry**. Click **Download** button.

To download BlackBerry App World, in your BlackBerry® Browser:

1. Go to www.BlackBerry.com/AppWorld
2. Scroll down to **Download** button and click it
3. Select **Download Language** from dropdown
4. Click **Download** button

Once complete, Twitter will appear on the home screen of your BlackBerry smartphone, in your Instant Messaging folder, or in your Downloads folder depending on your software version. Start adding friends and take advantage of the best mobile messaging experience available!
